SWIMMING AND WATER ADVENTURE

At Dixie Landings

Down by the levee, just over the bridge lies Ol' Man Island, where once a hospitable old hermit composed the strangest water contraptions and aqueduct system you ever saw. Now it's fixed up with shoots and fountains and wild water adventures, a spa, a kids' pool and sunbather's deck. Ol' Man Island is reserved for the exclusive use of Disney's Port Orleans and Disney's Dixie Landings Resort guests. Lifeguard on duty seasonally. For hours of operation, Touch *DIXNEY INFORMATION* on your in-room phone.

At Port Orleans

For those brave enough, ride the purple curls and spirals of a sinuous, serpentine creature into the tepid waters of Doubloon Lagoon. This extraordinary heated swimming area is alive with creative water adventures, accented with a spa, children's wading pool and a sprawling deck for relishing sunbath. Doubloon Lagoon is reserved for the exclusive use of Disney's Port Orleans and Disney's Dixie Landings Resort guests. Lifeguard on duty seasonally. For hours of operation, Touch *DIXNEY INFORMATION* on your in-room phone.

Environmental awareness at The Walt Disney Company started with Walt himself. In fact, keeping with Walt's pioneering spirit, we are committed to using consistent and conscientious practices in every facet of our Company's operation. If you care about making your world a beautiful place, help keep it clean.

Here are some ways to help the environment.

Recycling – We recycle newspapers, plastics, office paper, food waste, glass bottles, scrap metal, cardboard, textiles, aluminum cans and yard waste.

Water Conservation & Re-use – We use over 2 million gallons of re-cycled water per day.

Composting – We compost 100,000 cubic yards of landscape waste each year.

Energy Conservation – By changing your sheets every three nights or upon request we conserve 6.5 million gallons of water, 5,000 pounds of cleaning solution, 600,000 kilowatt hours of electricity, and 37.5 million cubic feet of natural gas annually.

"Green" Purchasing – Our Purchasing Department is making great strides to procure recycled products, and reduce excessive and non-recyclable products.

Welcome to The Walt Disney World Resort. Our cast is committed to providing you with a safe and memorable holiday during your visit with us. Safety and security are the top priorities for Walt Disney World guests and we are proud of our 22 year safety record. Within the 43 square mile self-contained Walt Disney World Resort destination, Walt Disney World Security is keenly aware of the special needs of our guests and offers the following suggestions to ensure a safe and enjoyable holiday.

- From the airport, transfer companies offer shuttles directly to Walt Disney World Resort. Once on property, car rental counters or direct telephone are available if you choose to rent a car.
- Florida law requires seat belts for all front seat passengers, regardless of age. Children aged 4-5 must be in a safety seat or wear a seat belt. Children under the age of 3 are required to be in a safety car seat.
- You know the Florida sun can really burn, even on overcast days. Be sure to put on lots of sunscreen before you go outside – especially if your skin is fair.
- Locking your room when you're there and when you're away is a great idea. If someone knocks at your door and you're not sure who it is, call the Front Desk to see if they sent someone to your room, and use the door people.
- Don't forget to lock your car too. Keep all your valuables out of sight. When you're seeing the sights, leave anything you don't need – jewelry, cash, travel documents, in your Resort safe or safekeeping box. It gets hit in Florida and expensive electronic equipment might get damaged in the trunk of your car.
- When you're out and about, keep your room key, wallet or purse somewhere safe. Try not to hang personal items on chairs or restroom hooks. With so much going on, you might forget you put it there.
- You should always pay attention when walking through parking lots, especially at night. Wearing bright clothes will let drivers know where you are. Try to avoid areas with no lights, and always travel with a buddy.
- If you have an emergency, Touch 911 from any phone.
- While on Walt Disney World property, if you need Walt Disney World Security assistance, please call 560-7959.
- Foreign language assistance is available by calling 824-7900.
- Should you need any personal assistance during your stay, please don't hesitate to contact the Front Desk or any Disney cast member.

Following these easy steps will keep your vacation fun and happy one!
