

Scavenger Hunt Photo Quiz

Where around the Port Orleans resorts can you find the following details?

Some of these are fairly obvious, while others may seem familiar but you can't quite recall exactly where you've seen them - but there may be a few which you've walked past dozens of times without even noticing...

Why not print this page out and see how many you can find around the two Port Orleans resorts on your next visit? They are all located in plain sight in public areas - but you may have to look upwards, or check out corners that you might not otherwise notice.

For more information and answers, go to www.portorleans.org/scavenger-hunt.php.

Good Luck!
